Saline Vegetation
Rome 30 March-2 April 2001

EUROPEAN VEGETATION SURVEY

10th Workshop

ROMA (Italy), March 29-April 2, 2001

Orto Botanico – Università di Roma “La Sapienza” – Dipartimento di Biologia Vegetale
Largo Cristina di Svezia n. 24

Saline vegetation & achievements of the first ten years

Programme outline

- Thursday March 29, 3 pm: Inscription at Orto Botanico (Arancera/Orangery)
– First demonstration of JUICE software (Library –small groups)
Friday March 30: First Session
Saturday March 31: Second Session
Sunday April 1: Excursion
Monday April 2: Third Session and business meeting.

First Session: Friday 30 March

Welcome to the 10th EVS Workshop

Organising Committee S. Pignatti, J. Rodwell, J.H.J. Schaminée, J. Lawesson

A Remembrance of the late Professor Dr Victor Westhoff

J.H.J. Schaminée

Saline vegetation: the challenge and the western European picture

Chairman S.Pignatti

- ? L. Mucina: *Saline Vegetation of the World: Research Challenges*
✓ E. Biondi: *Saline Vegetation of Italy*
Dea ✓ S. Rivas-Martinez: *Saline Vegetation of Spain & Portugal; a syntaxonomical overview*
? E. Bergmeier & P. Dimopoulos: *South Aegean Small Island Vegetation*
× E. Poli Marchese, M. Grillo, V. Mazzeo: *Woody vegetation along the coast south of Catania*
× M. Pakalne & Brigita Laime: *Coastal habitats of the Baltic Sea in Latvia*
✓ J.H.J. Schaminée & J. van Kley: *Large-scale ordination and gradient analysis of salt-marsh vegetation in the Netherlands*
✓ J. Rodwell & A.J.C. Malloch: *Saline meadows & pastures on UK salt-marshes and sea cliffs*

Lunch – buffet: offered by the Organisers (Exposition Room)

First Poster session (immediately after lunch)

- A. Acosta, S. Esposito, A. Stanisci, & C. Blasi: *Vegetation zonation in coastal dunes of Latium*
G. Fanelli, P. Tescarollo & A. Serafini: *Halophilous vegetation from cliffs in Southern Latium*

Saline vegetation: the wider scene

Chairman J.H.J. Schaminée

- ✓ A. Borhidi: *Inland salt vegetation of the Pannonian region*
- ? G. Nakhutsrishvili: *Saline Vegetation of the Caucasus*
- ? V. Golub: *Salty-habitat vegetation in Russia* & Friday II ?
- ✓ H.L. Bruehlheide: *Salinization in the Taklamakan Desert*
- ? Kazuo Fujiwara, Atsuko Harada and Hikari Suzuki: *The similarity and dissimilarity of salt marsh vegetation in Japan and Europe, and a study of coastal zonation in Miura Peninsula*
- U. Deil: *Geosigma in coastal vegetation - an Arabian perspective*
- ✓ G.J. Bredenkamp: *Inland salt marshes of endorheic pans in southern Africa*

Saline vegetation: resumé and remaining tasks

Chairman L. Mucina

Open discussion

+ Transvaal } Deil
Géhe

(Pant 2 nomines)
Barbour
Peinzo

Second Session: Saturday 31 March

SA Sandra?
Bridgwater

Vegetation databases, software and theoretical concepts

Chairman O. Eilertsen

- J. Schaminée & S. Hennekens: *SynBioSys: a Dutch expert system for vegetation and landscape and perspectives for a European counterpart*
J-P. Theurillat: *PhytoS, a database for the registration of typification, new names, and proposals to modify names of syntaxa*
M. Chytry, L. Tichy & J. Holt: *On synoptic tables, fidelity & diagnostic species in phytosociology*
A. Seliskar: *A new version of FloVegSI software for storing and managing floristic and vegetation data*
M. De Caceres: *VegAna, a computer program for the generation and comparison of vegetation classifications*
S. Redzic: *VIS: development of vegetation information system for nature management*

Software demonstrations in the Orto Botanico Library (small groups between coffee & lunch)

- L. Tichy: *The JUICE program - new functions and possibilities*
S. Hennekens: *SynBioSys*

Lunch – buffet: offered by the Organisers (Exposition Room)

L. van Duuren poster on same sub

Second Poster session (immediately after lunch)

E. Poli Marchese, M. Grillo, L. Di Benedetto, F. Caruso & G. Patti: *Vegetation and soil erosion on areas of Etna*

* M. Pakalne & Ilze Cakare: *Mire vegetation survey in Latvia*

E. Papastergiadou: *Mapping the habitat types in Greece - selected coastal areas.*

Vegetation survey: programmes, projects & perspectives

Chairman J. Rodwell

A. Borhidi: *The Vegetation of Cuba in phytosociological aspect*

* S. Jermacane & M. Laivins: *Development of Vegetation Studies in Latvia*

A. M. Fosaa: *Classification and ordination of plant communities along altitudinal gradients in the Faroe Islands*

C. O'Críodain & K. Gaynor: *An Overview of the Irish archive relevé data contract*

~~S. Rivas-Martínez: *Syntaxonomical checklist of vascular plant communities of Spain and Portugal Association level*~~

N. Athanasiadis, D. Babalonas, Th. Georgiadis, K. Georgioui & P. Dimopoulos: *Current state of vegetation in Greece* ^{Survey}

* I. Jarolimek & M. Valachovic: *Progress in vegetation survey of plant communities of Slovakia.* ^{5 mins}

* A. Seliskar: *Vegetation of Slovenia - publication in progress.* ?

J. Moravec: *The publication of the vegetation survey of the Czech Republic* ? 10 mins

* A. Carni & L. Marinček: *Vegetation map of forest communities of Slovenia 1:250.000* ? 5 mins

& Mitja Kaligarič

1:400,000 later

EXCURSION: SUNDAY 1 April

Castelfusano (regeneration after fire in Pinus forest) and Tarquinia (Etruscan archaeology)

0830 depart Lungotevere

Xerox!

- parameter frame
- EUNIS & Annex I species

& summary of Overland Crosswell

Third Session: Monday 2 April

Management, Monitoring & Nature Protection Policy

Chairman M. Chytrý

L. van Duuren: *The flora/vegetation monitoring system in the Netherlands with aid of permanent plots*

F. Boillot et al.: *Use of the phytosociological maps for land planning and habitat conservation - the experience of Botanical Conservancy units of Gap and Porquerolles*

O. Eilertsen: *1000 Terrestrial Monitoring Sites - A Norwegian framework for a national survey and monitoring of land resources*

J. Rodwell: *Interpreting the Habitats Directive: the EVS Syntaxa Overview, EUNIS & Habitats Directive Annex 2 species*

Database development & policy-related tasks for EVS in 2002

J.H.J. Schaminée: *Possibilities for extending SynBioSys on a European scale*

J. Rodwell: *Parameterisation of syntaxa and EUNIS habitats*

Consider from Dail
Submission July 2001
publication Dec 2002

Business meeting

- 1) Publication of proceedings from the 10th Workshop
- 2) Topic, time and place for the 11th Workshop in 2002
- 3) EVS Report to the IAVS Symposium at Freising
- 4) Notices of other meetings
